Melvin

I have exhausted all remedies to help with this matter. I suggest you do one of two things:

1. cancel
2. Take sick or personal leave to go.

Sorry, I could not be of more help.

Thanks again, I just received this confirmation e-mail this morning. As you can see I am scheduled to present on Friday.

I have everything under control. Upon your final go ahead I will have my copies run. I will be at Daisy Lawrence today. I re-scheduled a meeting that I had in order to make final preparations under your direction.

Thanks for your continued assistance. Have a great weekend.

Should you need to meet with me today please call me directly 301-3102 - cellular
